

**FIRST AMENDMENT TO  
LEASE AGREEMENT**

**BUNKER HILLS GOLF COURSE  
RESTAURANT AND CATERING PROVIDER**

**THIS FIRST AMENDMENT TO LEASE AGREEMENT** (“First Amendment”) made and entered into this 18th day of December, 2011 by and between the City of Coon Rapids, a Minnesota municipal corporation, hereinafter referred to as “City”, and Potluck Catering, Inc., d/b/a Town and Country Caterers, a Minnesota corporation, hereinafter referred to as “Tenant.”

**WITNESSETH:**

The City and Tenant entered into a Commercial Lease Agreement dated September 21, 2010 (“the Lease”), concerning the restaurant, banquet facility, and bar and grill portions of the clubhouse at the Bunker Hills Golf Course (“the Golf Course”). The Tenant is now conducting business at the Golf Course doing business as “the Harvest Grill.”

The City and the Tenant have determined, after careful consideration, that it is mutually advantageous to modify the City’s and Tenant’s contributions to certain electronics, equipment and furniture expenditures based on conditions that became known during the construction of the clubhouse but were not known at the time of the Lease.

The City and the Tenant have determined, after careful consideration and extensive negotiation, that it is fair and necessary to modify the Tenant’s monthly rent schedule due to adverse business conditions related to Anoka County’s design-build reconstruction of County Road 14 (Main Street). At the time of the original lease negotiations Anoka County had not selected its design-build contractor nor was it known that said contractor would cause the complete closure of County Road 14 to through traffic during the project. The reconstruction project closed County Road 14 West of Foley Boulevard in the Fall of 2011. Beginning in the Spring of 2012 County Road 14 will be completely closed both East and West of Foley Boulevard until September of 2012. This reconstruction project has had a substantial detrimental impact on the Tenant’s operations in the fall of 2011 and will continue to do so until the Fall of 2012.

This First Amendment seeks to re-confirm the City’s and the Tenant’s commitment to a successful long-term clubhouse relationship as vital to the public interest in the City of Coon Rapids.

**NOW, THEREFORE**, in consideration of the mutual covenants and promises contained herein, the sufficiency of which is hereby acknowledged, the Lease, is hereby amended as follows:

1. **DEFINITIONS.** All capitalized terms, not otherwise separately defined herein, shall have the meanings ascribed to them in the Lease.

2. TENANT IMPROVEMENTS. Sections A and B of paragraph 17 are hereby amended as follows:

A. Equipment Change Orders. During the construction of the clubhouse the City provided, at the City's expense, certain equipment in addition to the equipment described in Exhibit B to the lease. The additional equipment was purchased by the City per contract change order as follows:

- Contract Change Order #C28-01, dated December 16, 2010, in the amount of \$28,564.00.
- Contract Change Order #C28-02, dated March 8, 2011, in the amount of \$5,165.00.
- Contract Change Order #C28-03, dated April 27, 2011, in the amount of \$26,260.00.

Collectively, these three change orders, in the total amount of \$59,989.00, shall be referred to as Exhibit A1-1, attached to this First Amendment. This equipment is, and will be, the property of the City. Use, maintenance, repair and replacement of this equipment shall be the responsibility of the Tenant in the future. Any replacement equipment provided by the Tenant shall be the same or similar model and at least as good quality as that purchased by the City. The Tenant shall notify the City of any such replacement. The Tenant shall use the equipment exclusively for operations as contemplated by the Lease. The equipment and any replacement equipment shall become and remain the property of the City should the Lease be terminated for any reason.

Certain items of equipment on Exhibit A1-1 were designated in the original Lease as the financial responsibility of the Tenant in Exhibit C. Exhibit C is therefore amended by this First Amendment by eliminating these items from Exhibit C, thereby making the initial financial responsibility of these items the responsibility of the City.

B. Point of Sale Hardware, Server and Computer Equipment. The City provided, as part of the construction and at the City's expense, a single location server, point of sale hardware, and five office computers. The single location server separates the Tenant's portion of the point of sale and computer systems from the City's computer network. The server, point of sale hardware and computers are, and will be, the property of the City. The use, maintenance, repair and replacement of the single location server, point of sale hardware and computer systems shall be the responsibility of the Tenant. Any replacement of the single location server or point of sale hardware by the Tenant shall become the property of the City. Any replacement of the office computers shall be the property of the Tenant. The Tenant shall be solely responsible for all costs of the point of sale software. The Tenant shall notify the City in advance of the replacement of the point of sale hardware and/or software and attempt to coordinate the replacement with the City's IT department.

C. Telephones, Internet Service, and Cable Television Service. Section B of Paragraph 19 is hereby modified to the extent the Tenant will arrange and pay for television and internet service to the clubhouse facility that will serve both the Tenant and the City operations through Comcast or a mutually agreeable alternate provider. The City will arrange and pay for telephone equipment and service to the clubhouse facility that will serve both the City and the Tenant through Integra or a mutually agreeable alternate provider. The monthly cost of each of these services is nearly equal. If in the future either party determines it is in their best interests to change providers this paragraph may be renegotiated. The City will at all times own the telephone equipment. The City will be responsible for the maintenance, repair and replacement of the telephone equipment.

D. Fiber Optic Connectivity. The City is a participant in a project to install a fiber optic network to the clubhouse facility. Once the fiber optic network is installed, and if the City subscribes to fiber optic services, the Tenant may request that the City provide the Tenant access to the fiber network. If the Tenant is provided access to the fiber optic network the Tenant will pay to the City its proportionate share of the monthly cost for access.

E. Purchase of Tenant's Equipment and Advance on Lease-To-Own Equipment. The Tenant has purchased and/or entered into lease- to-own contracts for certain equipment purchased or leased in the total amount of \$185,541.12. This equipment is detailed in the lease-to-own agreements and equipment lists as Exhibit A1-2, attached to this First Amendment and incorporated herein. The City shall purchase the equipment in Exhibit A1-2 from the Tenant in the total amount of \$185,541.12. The City shall pay said amount to the Tenant in two installments. The first installment in the amount of \$100,000 shall be paid and advanced by the City upon the execution of this First Amendment. The second installment in the amount of \$85,541.12 shall be due on December 14, 2012. Upon execution of this agreement the Tenant shall sign all right title and interest in the equipment to the City in the form of a Bill of Sale, attached as Exhibit A1-3 to this First Amendment. The Tenant shall endeavor to pre-pay and pay in full all lease-to-own agreements by December 14, 2012. The final installment will be paid to the Tenant upon proof that all lease-to-own agreements have been paid in full.

It is expressly understood by the City and the Tenant that title to the equipment and any equity in the leased equipment shall immediately vest in the City, subject to the payment terms of the Tenant's lease-to-own agreements. The Tenant hereby agrees to continue to make timely payments on the leases until the equipment has been paid in full under the terms of the leases. To ensure clear title to the equipment and the payments under the lease-to-own agreements Jason Hines and Kim T. Hines will sign this First Amendment personally and individually as a personal guaranty that all payments will be made. Because the lease-to-own agreements exist under the corporate entity KB & J's Enterprises, Inc., Jason Hines and Kimberly T. Hines will sign this First Amendment as Officers and on behalf of KB & J's Enterprises, Inc. It is the express intent of the parties that KB & J's Enterprises, Inc. be bound by the terms of this First Amendment as they relate to the payment obligations under the lease-to-own agreements in Exhibit A1-2. Should the Tenant and/or KB & J's Enterprises, Inc. fail to make a monthly payment

under the lease-to-own agreements the City may immediately seek payment in full of all amounts owing under the lease-to-own agreements from the personal guaranty.

3. UTILITIES AND SERVICES. Paragraph 19 of the Lease is hereby amended to eliminate the May 1, 2011 utility payment of \$5,000. During May of 2011 the Tenant was operating from a temporary tent and drawing little electrical or other utility services. Utility payments shall otherwise be consistent with Paragraph 19 of the Lease.

4. CLUBHOUSE FURNITURE. At the time Lease was executed the City had included funds for the purchase of clubhouse furniture in the project budget but had not bid the furniture package. The City and the Tenant anticipated that the furniture would be paid for by the City. The City purchased the furniture in June of 2011. The City paid for all furniture in the clubhouse as part of the project budget. The City's purchase of the furniture for the clubhouse included the furniture to be used by the Tenant in its operations under the Lease. All furniture is, and will be, the property of the City. Use, maintenance, repair and replacement of the furniture that is used in the Tenant's operations, shall be the responsibility of the Tenant. Repair and replacement of the furniture shall be done based upon customary standards in the Tenant's line of business. Any replacement furniture shall be the same or similar model of at least as good quality as that purchased by the City. The Tenant shall notify the City of any such replacement. The Tenant shall use the furniture exclusively for operations as contemplated in the Lease. The furniture and any replacement furniture shall become and remain the property of the City should the Lease be terminated for any reason.

6. GOOD FAITH NEGOTIATIONS. Due to the reconstruction of County Road 14 and the impact on the Tenant's operations in 2011 and 2012 the City and the Tenant have begun negotiations on a re-structured relationship related to the Tenant's operations. These negotiations are intended to result in a relationship that will allow the Tenant to continue to operate until the reconstruction project is completed in 2012 and allow the City to recoup any lost rent and/or operational advance funding occurring during the reconstruction project. The City and the Tenant have not yet finalized these negotiations. The City and the Tenant hereby agree to negotiate in good faith to re-structure the Lease. However, no such agreement shall be effective until the agreement is reduced to writing and lawfully executed by both parties.

7. SETTLEMENT AND WAIVER. The terms of this First Amendment and acceptance by the Tenant of the first installment as stated in paragraph 2.E. are expressly intended to settle any claim the Tenant may have allege against the City related to the County's re-construction of County Road 14, including the timing of road closures and the impact on the Tenant's operations. This settlement and waiver includes any and all allegations or claims by the Tenant that the City failed to disclose the reconstruction project or the road closures and any claims by the Tenant that the City misrepresented any material fact as inducement to enter into the Lease. The Tenant hereby waives any future claims for past, present or future lost profits, business interruption, condemnation or any other claims that may now or in the future legally exist related to the re-construction project.

8. FULL FORCE AND EFFECT. Except as expressly amended by the provisions of this First Amendment, the terms and conditions contained in the Lease shall continue to govern

the rights and obligations of the parties and the Lease shall remain in full force and effect until and unless expressly modified by the parties in writing.

CONTINUING PERSONAL GUARANTY

As additional inducement for the City to enter into this First Amendment, the undersigned jointly and severally and unconditionally guarantees that the Tenant will make all payments and meet any and all debts, liabilities, and obligations of every nature or form, now existing or hereafter arising or acquired under this First Amendment and the Lease fully and promptly, including making timely payments on the Tenant's equipment leases. The undersigned agrees that the City may make other arrangements including compromise or settlement with the Tenant and the undersigned waives all defenses and notice of those changes and will remain responsible for the payment and obligations of this First Amendment and the

Lease, including making timely payments on the Tenant's equipment leases. If the Tenant defaults, the undersigned will immediately pay all sums due under the terms of the First Amendment the Lease and the equipment leases. If it is necessary for the City to proceed legally to enforce this Guaranty, the undersigned expressly consents to the jurisdiction of the State of Minnesota, Tenth Judicial District, with venue in Anoka County and to pay all costs, including attorneys fees incurred in enforcement of this guaranty and waives any right to a jury trial. It is not necessary for the City to proceed first against the tenant before enforcing this guaranty.

This Agreement becomes valid upon execution by us and will begin on the commencement date and for the number of consecutive months shown above or on the applicable Supplement. You authorize us to insert or correct missing information on this agreement including proper legal name, addresses and serial numbers.

6. **LOSS OR DAMAGE:** You are responsible for the risk of loss or for any destruction or damage to the Equipment. No such loss or damage relieves you from the payment obligations under this Agreement. You agree to promptly notify us in writing of any loss or damage and you will then pay to us the present value of the total of all unpaid payments for the full term all discounted at four percent. Any proceeds of insurance will be paid to us and credited against the outstanding balance.

You understand that the assignee will have the same rights and benefits but they do not have to perform any of our obligations. You agree that the rights of assignee will not be subject to any claims, defenses, or setoffs that you may have against us.
11. **DEFAULTS AND REMEDIES:** If you do not pay any payment or other sum due to other party or us when due or if you break any of your promises in this Agreement or any other agreement with us, you will be in default. If any part of a payment is late, you agree to pay a late charge of 16% of the payment which is late or if less, the maximum charge allowed by law. If you are ever in default, we may retain your security deposit and at our option, we can terminate or cancel this Agreement and require that you (1) pay the unpaid balance of this Agreement, including accrued but unpaid payments, discounted to present value at four percent per annum and (2) unless you have paid the amount in (1), return the Equipment to us to a location designated by us. We may sell, lease or otherwise dispose of all or any part of the Equipment at public or private sale, with or without notice and may bid and purchase the Equipment or any of it at such sale. The proceeds of sale, lease or other disposition shall first be applied to all costs and expenses incurred in taking, removing, holding, repairing and selling or otherwise disposing of the Equipment, attorneys fees and court costs, and our other obligations hereunder (excluding repayments); then to pay all sums remaining unpaid hereunder, with any remaining surplus belonging to you. You will be obligated to pay any deficiency remaining after such application of proceeds. We may recover interest on any unpaid balance at the rate of 8% per annum. - 1. FINANCE AGREEMENT:** Subject to the terms of this Equipment Finance Agreement signed by you and us, rather than pay the cash price, you have chosen to request we finance for you the purchase price of personal property described under "ITEM DESCRIPTION" in this Agreement and as modified by supplements to this Master Finance Agreement from time to time signed by you and us (such personal property and any upgrades, replacements, repairs and additions referred to as "Equipment") which you will use for business purposes only. You hereby grant to us a first priority, purchase money security interest in the Equipment and its proceeds to secure your obligations hereunder and under all other agreements with us; and you agree to all of the terms and conditions contained in this Agreement, which together are a complete statement of our agreement regarding the Equipment (this "Agreement"). This Agreement may be modified only by written agreement and not by course of performance. This Agreement becomes valid upon execution by us and will begin on the commencement date and for the number of consecutive months shown above or on the applicable Supplement. You also agree to pay to us interim payments in the amount equal to 1/30th of the monthly payment, multiplied by the number of days lapsing between the date on which payment is made to the supplier and the agreed upon first payment date. If any provision of this Agreement is declared unenforceable, the other provisions shall remain in full force and effect. You authorize us to insert or correct missing information on this agreement including proper legal name, addresses and serial numbers.
- 2. PAYMENTS:** Payments will be paid monthly, each in the amount of the monthly payment shown above or on the applicable Supplement plus any applicable tax. You will pay the security deposit on the date you sign this Equipment Finance Agreement. Subsequent payments will be due the first day of each payment period shown beginning after the first payment period. We will have the right to apply all sums received from you to any amounts due and owed to us under the terms of this Agreement. In the event this Agreement is not fully repaid, the security deposit will be retained by us to compensate us for our documentation, processing and other expenses; if for any reason, your check is returned for nonpayment, a \$35.00 bad check charge will be assessed.
- 3. NONCANCELLABLE:** This is a noncancellable agreement and may not be cancelled; Prepayment is only allowed provided all outstanding billed and future unbilled payments are received and any outstanding charges. You will make all payments whether or not you are satisfied with the Equipment and without deduction for any claim you may have against the supplier of the Equipment or against us.
- 4. WARRANTY DISCLAIMER: WE MAKE NO WARRANTY, EXPRESS OR IMPLIED, OR THAT THE EQUIPMENT IS FIT FOR A PARTICULAR PURPOSE OR THAT THE EQUIPMENT IS MERCHANTABILITY. YOU AGREE THAT YOU HAVE SELECTED THE SUPPLIER AND EACH ITEM OF EQUIPMENT BASED UPON YOUR OWN JUDGMENT AND DISCLAIM ANY RELIANCE UPON ANY STATEMENTS OR REPRESENTATIONS MADE BY US. WE DO NOT TAKE RESPONSIBILITY FOR THE INSTALLATION OR PERFORMANCE OF THE EQUIPMENT. THE SUPPLIER IS NOT AN AGENT OF OURS AND NOTHING THE SUPPLIER STATES CAN AFFECT YOUR OBLIGATION UNDER THE AGREEMENT. YOU WILL CONTINUE TO MAKE ALL PAYMENTS UNDER THIS AGREEMENT REGARDLESS OF ANY CLAIM OR COMPLAINT AGAINST SUPPLIER. Notwithstanding any other terms and conditions of the Agreement, you agree that as to software only: a) We have no had, do not have, nor will have any title to such software, b) You have executed or will execute a separate software license agreement, and we are not a party to and have no responsibility whatsoever in regard to such license agreement, c) You have selected such software and as pay above, WE MAKE NO WARRANTIES OF MERCHANTABILITY, DATA ACCURACY, SYSTEM INTEGRATION OR FITNESS FOR USE AND TAKE ABSOLUTELY NO RESPONSIBILITY FOR THE FUNCTION OR DEFECTIVE NATURE OF SUCH SOFTWARE.**
- 5. LOCATION OF EQUIPMENT/INSPECTION:** You are the owner of the Equipment and agree to keep the Equipment free and clear of all liens and encumbrances and use only at your address shown above and you agree not to move it unless we agree to it in advance. We may inspect the Equipment at any time during normal business hours.
- 6. LOSS OR DAMAGE:** You are responsible for the risk of loss or for any destruction of or damage to the Equipment. No such loss or damage releases you from the payment obligations under this Agreement. You agree to promptly notify us in writing of any loss or damage and you will then pay to us the present value of the total of all unpaid payments for the full term at discounted at four percent. Any proceeds of insurance will be paid to us and credited against the outstanding balance.
- 7. COLLATERAL PROTECTION AND INSURANCE:** You agree to keep each item of Equipment fully insured against loss, naming us as loss payee, in an amount not less than replacement cost until this Agreement is terminated as to such item. You further agree to pay us an origination fee up to \$799 due on the date of the first payment to cover, in part, the expenses of originating this transaction. You also acknowledge that in addition to the agreement payments, we may assess and you may be required to pay additional taxes and/or fees. Such fees may not only cover our costs they may also include a profit.
- 10. ASSIGNMENT: YOU HAVE NO RIGHT TO SELL, TRANSFER, ASSIGN OR SUBLEASE THE EQUIPMENT OR THIS AGREEMENT:** You understand that we, without prior notice, have the right to assign this Agreement to another financing source without your consent; You understand that the assignee will have the same rights and benefits but they do not have to perform any of our obligations. You agree that the rights of assignee will not be subject to any claims, defenses, or setoffs that you may have against us.

**LEASE TERMS AND CONDITIONS CONTINUED**

11. **Disclaimer of Warranties:** I understand that the Manufacturer may have provided a warranty on the Equipment. I will refer to the owner's manual or separate Manufacturer's certificate for the actual terms of the warranty. I understand that you have not given me either express or implied warranties for the Equipment I am leasing or other services, access and/or use with the Equipment. You have specifically disclaimed any implied warranties of merchantability and/or fitness for any particular use. You will have no liability for indirect, consequential or special damages. I have chosen this specific Equipment based on my own judgement and expressly disclaim any reliance upon any statements or representations made by you.

12. **Equipment Servicing:** I understand that no servicing of any kind is provided by you. I am to look to the Equipment Vendor/Supplier for any claims, servicing or warranties if any, and I specifically and unconditionally waive any claims, present or future, against you. Any failure of Equipment, service or misoperation of any kind, whatever, is no basis for nonfulfillment of my obligations under the Lease.

13. **Manner of Execution:** Facsimile signatures shall be deemed as fully enforceable valid signatures as if such signature were an original signature as of the date executed.

14. **Alterations:** I shall not make alterations, additions or improvements to the Equipment without your prior written consent. All additions and improvements made to the Equipment shall belong to you.

15. **Loss or Destruction of the Equipment:** I shall bear the entire risk and be responsible for loss, theft, damage or destruction of the Equipment from any cause whatsoever after I receive possession of the Equipment. I will notify you immediately if the Equipment is lost, destroyed, stolen or taken by any other person. If the Equipment has only been partially damaged, you may require that I have it repaired. If you determine it is not repairable, then it will be considered destroyed.

16. **Insurance:** I will keep the Equipment fully insured against loss, destruction, theft or damage and will provide an insurance binder naming you as loss payee.

17. **Loss or Destruction Waiver:** You will waive my responsibility for loss or destruction of the Equipment and for keeping the Equipment fully insured during the lease term. After loss or destruction of the Equipment, you will provide for its replacement with Equipment of comparable value at that time to the extent that I took reasonable care in preventing the loss or destruction of the Equipment. I will promptly notify you of the loss. I will cooperate with you in making any claim with respect to the Equipment, including providing Police and Fire report documents to substantiate the claim. If I do not provide proof of insurance, I am deemed to have chosen to buy the Loss or Destruction Waiver, and I will pay you an amount not to exceed 25% of the base monthly lease payment due per month for each waiver.

18. **Taxes and Tax Processing Fee:** I shall pay promptly when due any and all taxes (except income taxes), charges, penalties, interest, expenses, costs, assessments and fees, whatsoever, relating to this Lease and the equipment whether local, state, federal and otherwise, which now or hereafter is imposed on Lessee or Lessor. I agree that you may estimate the property and sales/use taxes that will be due for the equipment and agree to pay you the estimated taxes in monthly installments together with the monthly processing fee. The monthly processing fee will not exceed \$3.00 per month. Such fee will reimburse you for your costs of preparing, reviewing, and filing the returns and for your overall processing expenses. The taxes and tax processing fee may vary from month to month and from Lease to Lease.

19. **Notice:** I will send all notices to you in writing by certified mail to your address on the front page of this Lease. You will send all notices to me at the address listed on this Lease unless I tell you of a change of address.

20. **Changes on Terms of the Lease:** This Lease explains all the terms and conditions for the use of the Equipment I am leasing. The terms and conditions may not be changed orally. You and I must both give written approval before any changes are made.

21. **Collateral:** As security for payment of this Lease, I give you a security interest in the Refundable Security Deposit found on the other side. If the Equipment is lost, stolen, damaged, destroyed, or if I fail to return the Equipment to you at the end of the Lease, you have the right to apply the Refundable Security Deposit to reduce the amount I owe, in addition to whatever other rights you may have at law or equity. No interest will be paid on the Refundable Security Deposit.

22. **Assignment:** Without your prior written consent, I shall not (a) assign, transfer, pledge, hypothecate or otherwise dispose of this Lease or any interest therein, or (b) sub-lease, or lend the Equipment or permit it to be used by anyone other than me or my employees. I acknowledge that any assignment by you of any of your interest in this Lease would neither materially change my duty nor materially increase the burden of risk imposed upon me under this Lease. Nevertheless, I acknowledge that your assignment is permitted even if such assignment would be deemed to materially affect lessee's interest thereunder. You may assign this Lease and/or mortgage the Equipment in whole or in part without notice to me, and your assignee or mortgagee may reassign this Lease and/or such mortgage, without notice to me. Each such assignee and/or such mortgagee shall have your rights but none of your obligations under this Lease. I shall recognize each such assignment and/or mortgage and shall not assert against the assignee and/or mortgagee any defense, counterclaim, or set-off that I may have against you. Subject to the foregoing, this Lease (runs to the benefit and is binding upon the heirs, legal heirs, personal representatives, survivors and assigned of the parties hereto).

23. **Ownership:** The Equipment is, and shall at all times remain, your property, and I shall have no right, title or interest in it except as expressly set forth in this Lease. I will not directly or indirectly create or permit to exist, and will promptly and at my own expense discharge, any lien, charge or encumbrance on the Equipment, except for any lien, charge or encumbrance resulting solely from your acts. You may sign and file any documents, including a copy of this Lease, in the public records as necessary to protect your ownership and any security interest in the Equipment.

24. **Use:** I shall use the Equipment in a careful manner and shall comply with all laws relating to its possession, use and maintenance.

25. **Indemnity:** To the extent permitted by law, I shall indemnify you against, and hold you harmless from, any and all claims, actions, proceedings, expenses, damages and liabilities, including attorneys' fees arising in connection with the Equipment, including without limitation, its manufacture, selection, purchase, delivery, possession, use, operation or return.

26. **Change of Name, Billing Address, Bank Account Change:** I will inform you, within one week, of any change in my name, address, billing address, telephone numbers, location of the Equipment, or the bank checking account used for ACH debit. You will charge me up to \$100 if I fail to do so. You are authorized to correct any typographic or spelling errors made on the front of this Lease Agreement regarding my address, telephone numbers, Equipment leased or identification numbers of the Equipment.

27. **Miscellaneous:** If any provision in this Lease is invalid, such invalidity shall not affect the validity of the remaining provisions of this Agreement and we agree to substitute for the invalid provision a valid provision which most closely approximates the effect and intent of the invalid provision. Notwithstanding any provision contained herein the maximum amount charged and collected shall not exceed the maximum amount which may be lawfully contracted for, charged and received in this Lease transaction as determined by final judgement of a court of competent jurisdiction, including appeals therefrom.

1. LEASE: Lessor hereby leases to the Lessee the above Equipment (hereinafter called "Equipment") for the number of months and the rental payments as set forth above and on the terms and conditions stated herein AND ON PAGES 2, 3, 4, and all Addenda. Lessee agrees that if there are any inconsistencies between the Terms and Conditions of the Lease and of any of the Lessee's written purchase orders, the terms of this Lease will govern. The rental payments shall commence when the Lessee has received Equipment which is equal to fifty percent of the value at the time of the cost to Lessor of all the Equipment to be leased hereunder and shall continue thereafter to be paid on the first (1<sup>st</sup>) or fifteenth (15<sup>th</sup>) day, as specified in the "Authorization Agreement for Automatic Withdrawal" executed concurrently herewith, of each succeeding month in the amount specified and for the total number of payments as provided in the Schedule of Rental Payments as set forth above. Lessee agrees to pay Lessor additional rent (interim rent) in an amount equal to 1/30<sup>th</sup> of the monthly payment with tax, multiplied by the number of days between the date the Equipment is purchased by Lessor and the first rental payment due date. All rental payments by Lessee shall be payable at the office of Lessor or at such other place Lessor may from time to time appoint. Lessee hereby authorizes Lessor the use of the Security Deposit made by Lessee under this Lease and agrees that the Security Deposit shall not earn interest for the time period when the Lessor is holding the deposit. Such Security Deposit will be returned to Lessee at the expiration of this Lease, less any amounts outstanding hereunder and any outstanding charges or expense to bring the Equipment to good working order and repair.

2. DISCLAIMERS OF WARRANTIES AND CLAIMS; LIMITATION OF REMEDIES: THERE ARE NO WARRANTIES BY OR ON BEHALF OF LESSOR. Lessee acknowledges and agrees by their signature above as follows:  
 (a) LESSOR MAKES NO WARRANTIES EITHER EXPRESS OR IMPLIED AS TO THE CONDITION OF THE EQUIPMENT, ITS MERCHANTABILITY, ITS FITNESS OR SUITABILITY FOR ANY PARTICULAR PURPOSE, ITS DESIGN, ITS CAPACITY, ITS QUALITY, OR WITH RESPECT TO ANY CHARACTERISTICS OF THE EQUIPMENT;  
 (b) Lessee has fully inspected the Equipment which it has requested Lessor to acquire and lease to Lessee, and the Equipment is in good condition and to the Lessee's complete satisfaction;  
 (c) Lessee leases the equipment as is, where is and with all faults;  
 (d) Lessee specifically acknowledges that the Equipment is leased to the Lessee solely for commercial or business purposes and not for personal, family, household, consumer or agricultural purposes;  
 (e) If the Equipment is not properly installed, does not operate as represented or warranted by the supplier or manufacturer, or is unsatisfactory for any reason, regardless of cause or consequence, Lessee's only remedy, if any, shall be against the supplier or manufacturer of the Equipment and not against the Lessor;  
 (f) Provided Lessee is not in default under this Lease, Lessor assigns to Lessee any warranties made by the supplier or the manufacturer of the Equipment;

(g) Lessee shall have no remedy for consequential or incidental damages against Lessor; and  
(h) No defect, damage, or unfitness of the equipment for any purpose shall relieve Lessee of the obligation to pay rent or relieve Lessee of any other obligation under this Lease; and  
(i) LESSEE ACKNOWLEDGES THAT UPON ACCEPTANCE OF THE EQUIPMENT ITS OBLIGATIONS HEREUNDER ARE ABSOLUTE AND UNCONDITIONAL AND LESSEE AGREES TO PAY AND PERFORM ITS OBLIGATIONS HEREUNDER WITHOUT OFFSET, COUNTERCLAIM OR DEFENSE, ALL OF WHICH ARE HEREBY WAIVED TO THE FULLEST EXTENT PERMITTED BY LAW. The parties have specifically negotiated and agreed to the foregoing paragraph.

**3. DELIVERY AND ACCEPTANCE:** The Equipment shall be shipped directly to the Lessee by the SUPPLIER. Upon delivery of the Equipment to Lessee, Lessee shall be deemed to have irrevocably accepted the Equipment under this Lease and the Equipment shall be conclusively presumed as between Lessor and Lessee, that the Equipment is in good working order and condition and that Lessee has accepted and is satisfied that the items delivered constitute the Equipment specified in this Lease. Lessee further agrees that the validity of this Lease shall not be affected by any delay in the shipment of the Equipment by the Supplier. By execution hereof, each signer hereby certifies that he has read this Lease and all Addenda, and that he is duly authorized to execute this Lease on behalf of the Lessee, and hereby acknowledges receipt of a copy of this Lease. LESSEE UNDERSTANDS AND AGREES THAT NEITHER THE SUPPLIER NOR ANY SALESMAN OR OTHER AGENT OF THE SUPPLIER IS AN AGENT OF LESSOR, NO SALESMAN OR AGENT OF THE SUPPLIER IS AUTHORIZED TO WAIVE OR ALTER ANY TERM OR CONDITION OF THIS LEASE, AND NO REPRESENTATIONS AS TO THE EQUIPMENT OR ANY OTHER MATTER BY THE SUPPLIER SHALL IN ANY WAY AFFECT THE LESSEE'S OBLIGATION TO PERFORM INCLUDING THE PAYMENT OF THE RENTAL PAYMENTS SET FORTH IN THIS LEASE. Any officer/owner/partner executing this document hereby affirms that all shareholders/owners/partners of Lessee have been identified and submitted to Lessor in writing.

**4. STATUTORY FINANCE LEASE:** Lessee agrees and acknowledges that it is the intent of both parties to this Lease that it qualify as a statutory finance lease under Article 2A of the Uniform Commercial Code (the "UCC") as adopted by the state of Colorado. Lessee acknowledges and agrees that Lessee has selected both (1) the Equipment; and (2) the Supplier from whom Lessor is to purchase the Equipment. Lessee acknowledges that Lessor has not participated in any way in Lessee's selection of the Equipment or of the Supplier, and Lessor has not selected, manufactured, or supplied the Equipment. Lessee is advised that it may have rights under the contract evidencing the Lessor's purchase of the Equipment from the Supplier chosen by Lessee and that Lessee should contact the Supplier of the Equipment for a description of any such rights. Lessee hereby waives all rights under Article 2A of the UCC.

**5. Use/Assignment:** Lessee shall use the Equipment only in the conduct of its business in a careful and proper manner. Lessee, at its sole expense, shall maintain the Equipment in the same condition as when delivered, subject only to reasonable wear and tear, and shall replace any damaged parts. Any alterations are expressly prohibited without prior written consent of Lessor. All additions, replacements, parts, or accessories immediately become the property of the Lessor and shall be deemed to be incorporated in this Lease. At Lessor's request, Lessee will enter into a maintenance agreement for the service of the Equipment at Lessee's cost. Equipment is located at the address on the front of the Lease and cannot be removed without the prior written consent of Lessor. Lessor reserves the right to inspect the Equipment during normal business hours. Lessee shall not assign or sublet this Lease or any of the rights hereunder, including use of the Equipment, without prior written permission of Lessor. Lessor may assign its rights, including rights to payments, without notice, and the transferee or assignee shall have all of the rights, remedies, powers and privileges of the Lessor under this Lease and Lessee's obligation under this Lease shall not be subject to any defense, offset, or counterclaim available to Lessee against Lessor or its assigns.

**6. Late Payment/Other Charges:** Should the Lessee fail to pay any rent, or other sum required by Lessee to be paid to Lessor on the due date, Lessee agrees to pay Lessor a late payment fee equal to 15% of the delinquent rental payment because of Lessee's failure to make payments in a timely manner. In addition, Lessee shall pay Lessor interest on any sums past due, calculated from the due date, at the rate of 24% percent per annum or the maximum interest rate permitted by Colorado law, whichever is highest. Lessee further agrees to, understands, and gives permission to Lessor, to report to any national credit bureau, as past due or otherwise delinquent should Lessee fail to timely make any payment due under this lease agreement if for any reason a check or ACH payment is returned unpaid to Lessor then Lessee shall pay Lessor a fee of \$25 for each time the check or ACH is returned. In addition, Lessee agrees to notify Lessor 15 business days prior to changing Lessee's ACH bank and Lessor is entitled to an additional fee of \$100 for failure of Lessee to give timely notification. If Lessee requests a change in rental payment due date, Lessee shall pay Lessor a fee of \$25 for each occurrence or \$50 for a permanent change in original due date. If for any reason, Lessor engages a collection agency to assist in collecting any amount due hereunder, Lessee agrees to pay collection fees.

**7. Loss, Damage, and Indemnification:** Risk of loss shall pass to Lessee upon shipment to Lessee of the Equipment, it being specifically understood that at no time shall Lessor bear the risk of loss with respect to damage, liability or any other type of loss or damage to or from the Equipment whatsoever. In the event any item shall become lost, stolen, destroyed, damaged beyond repair, or otherwise rendered permanently unfit for use, Lessee shall promptly pay Lessor the remaining payments, plus tax, discounted at 8% plus the residual value of the Equipment. Upon payment of the above sum, title shall pass to Lessee. Lessee assumes all liability and agrees to defend, indemnify and hold Lessor harmless from all liability (including environmental, negligence, tort and strict liability) claims, damages or other losses, including costs and reasonable attorneys' fees, arising out of or in any manner connected with this Lease or the Equipment.

**8. Taxes and Fees:** Lessee shall comply with all federal, state and local laws and regulations relating to the Lease of this Equipment. Lessee recognizes its duty and responsibility to promptly pay when due all license fees, title fees, registration fees, assessments, charges and taxes, municipal, state, and federal (excluding taxes on Lessor's income), which now or hereafter may be imposed on the ownership, leasing, renting, possession of, control, use, maintenance, delivery and/or return of the Equipment, and shall hold Lessor harmless against actual or asserted violations and shall pay all expenses and costs of every character in connection herewith or arising therefrom. Lessee further understands and authorizes Lessor to file, as required by law, any and all personal property tax or other return

required to protect its interest in the Equipment and Lessee agrees to pay a tax-filing fee of \$50.00 for each tax return filed with regard to the Equipment. Upon the completion of the Schedule of Rental Payments, earlier termination, or an event of default under paragraph 12 hereof, Lessee agrees to pay Lessor an amount equal to 2% of the initial Equipment Cost for any assessed but unpaid taxes.

**9. Insurance:** Lessee shall obtain, at its own expense, insurance on the Equipment as follows: (a) Physical damage insurance for the amount of Equipment Cost or replacement value, whichever is higher, naming Lessor as "Loss Payee". (b) Acceptable public liability insurance naming Lessor as "Additional Insured". A specific minimum liability limit may be required for specific types of equipment. Each such policy shall be with an insurer and such form satisfactory to Lessor including clauses requiring insurer to give at least 30 days written notice to Lessor of any alteration or cancellation and specifying that no action or misrepresentation by Lessee shall invalidate the policy. Lessor shall be under no obligation to inspect the policy or inform the Lessee if the policy does not conform to the requirements hereof. In the event Lessee fails to deliver to Lessor a certificate evidencing liability and physical damage insurance, Lessee shall pay Lessor an amount equal to 1% of the Equipment Cost for each month, or fraction thereof, that Lessee fails to deliver such certificate. Such payment shall not be considered as insurance, a replacement for insurance or payment for insurance and provides no coverage for Lessee. LESSEE HEREBY ACKNOWLEDGES AND AGREES THAT SUBSTANTIAL ADDITIONAL EXPENSE WILL BE INCURRED BY LESSEE FOR FAILURE TO COMPLY WITH THESE INSURANCE REQUIREMENTS. Lessee can stop incurring this charge by delivering the required proof of insurance to Lessor.

**10. Title/UCC/Power of Attorney:** Lessee understands that Lessor will have sole title to the Equipment during the entire Lease Term, and Lessee agrees this is a "true lease" and not one intended as security for purposes of Section 1-201 (37) of the Uniform Commercial Code. The Lessee shall keep the equipment free and clear from leases, attachments, liens, encumbrances, or other judicial processes of any kind and shall save Lessor harmless from and damage or loss thereby. Lessee hereby appoints Lessor as Lessee's attorney-in-fact to file financing statements to protect Lessor's interest hereunder in accordance with the Uniform Commercial Code, or other applicable law. Lessee hereby agrees that Lessor may make any adjustment in payments due to the actual cost of the Equipment, a change in the sales or use tax rate, corrected description of the Equipment, or proper allocation of any advance payments or security deposits, to date this lease, or fill in any blank spaces, and all such changes shall become incorporated herein.

**11. Holdover:** Unless Lessee notifies Lessor in writing sixty (60) days prior to the expiration of the lease of Lessee's intention to purchase the Equipment per the terms of the Purchase Option or Lessee promptly returns the Equipment upon the expiration of the term of this Lease (the "Expiration Date"), Lessee shall pay a monthly holdover fee equal to 50% of the monthly payment (with tax) set forth at the beginning of this Lease for each month (or portion thereof) that Lessee retains the Equipment beyond the Expiration Date. The foregoing remedy is in addition to, and not in limitation of, any other remedies specified herein or available under law.

**12. Default:** Any of the following occurrences shall constitute an event of default: (a) Lessee's failure to pay rent or any sum due Lessor or other party, on the due date; (b) Lessee's failure to observe, keep, or perform any other term, covenant, or condition of this Lease or any other agreement with Lessor and such failure continues after the due date; (c) Lessee or any partner of Lessee if Lessee is a partnership, or any guarantor, dies, becomes insolvent or unable to pay debts when due, stops doing business as a going concern, merges, consolidates, makes an assignment for the benefit of creditors, or suffers a deterioration of financial health; (d) Lessee, any guarantor of Lessee, or partner if Lessee is a partnership, shall file or have filed against it, a petition for reorganization, liquidation, or similar relief under the federal bankruptcy laws, or if any trustee or receiver is appointed over it or over any part of its assets; (e) breach of any representation or warranty made by Lessee, or guarantor, or any officer, partner, or member of Lessee in any document delivered to Lessor, failure of Lessee to fully identify any shareholder, partner, or member, that owns or controls more than a 10% ownership interest in the Lessee, any misrepresentation or withholding of information by Lessee in any dealing with the Lessor that would cause Lessor to extend credit based on false or misleading information or financial data, fraudulent claims of ownership, or other acts by Lessee that might cause Lessor to misconstrue the creditworthiness or ownership of Lessee or of any guarantor of Lessee; or (f) any levy, attachment, or seizure of the Equipment.

**Remedies:** Lessor and Lessee agree that Lessor's damages suffered by reason of a default are uncertain and not capable of exact measurement at the time this Lease is executed, therefore they agree that Lessor's Loss as of any date shall be the sum of the following: (a) the amount of all rent and other amounts payable by Lessee with respect to items due but unpaid at the date of calculation, plus; (b) the amount of all unpaid rent for the balance of this Lease, discounted from the respective date the payment becomes due at the rate of 8% per annum, plus; (c) the end of lease purchase option, if one was specified, otherwise 20% of the original amount of the Equipment Cost which represents Lessor's anticipated end of lease residual value. Upon occurrence of an event of default, and at any time thereafter, Lessor may terminate this Lease and declare an amount equal to the Lessor's Loss as of the date of such notice to be immediately due and payable and Lessee agrees to immediately pay such sum. Lessor may recover interest on the unpaid balance of Lessor's Loss from the date it becomes payable until fully paid at the maximum rate permitted by Colorado law. If such amount is not paid upon demand by Lessor, Lessor may proceed by appropriate court action to enforce performance by Lessee of the applicable covenants of this Lease or to recover, for breach of this Lease, Lessor's Loss as of the date the Lessor's Loss is declared due and payable, plus interest as set forth above. Lessor may recover all costs and expenses, including legal fees, collection fees or commissions, travel, or any other cost incurred by Lessor in enforcing the remedies herein. Upon termination of the Lease by this paragraph, all rights of Lessee to use the Equipment shall terminate but Lessee shall remain liable as provided herein. Lessee shall, at its expense, promptly deliver the equipment to Lessor at a location or locations specified by Lessor, or Lessor's agents may enter upon the premises where the equipment is located and take immediate possession of and remove the same without instituting legal proceedings. Damages occasioned by Lessor's taking possession of the Equipment are hereby waived by Lessee. Upon repossession or surrender, and without the necessity of notice to Lessee, Lessor may retain the Equipment, or sell or lease each item of Equipment in such manner and upon such terms as Lessor in its sole discretion determines. The proceeds of such sale or lease shall first be applied to reimburse Lessor for expenses or repossession, storage, repair, transportation, and disposition of the Equipment and then for Lessor's Loss and any additional amounts due under this paragraph. Lessee shall remain liable for any deficiency. Lessor may exercise any other right or remedy Lessor shall recover legal costs and fees and all other expenses incurred by reason thereof. No remedy given in this paragraph is intended to be

exclusive, and each shall be cumulative, but only to the extent necessary to permit Lessor to recover amounts for which Lessee is liable hereunder. No express or implied waiver by Lessor of any event of default shall constitute a waiver of any other event of default; Lessor's remedies hereunder shall be in addition to any other permitted at law or in equity.

**13. Security Deposit:** To secure this lease, Lessee agrees to pay to Lessor the Security Deposit on page 1 at the time this Lease is submitted to Lessor. If for any reason this lease is not finalized due to the fault of the Lessee, it is specifically agreed that Lessor may retain this Security Deposit as liquidated damages for loss of a bargain and such amount is fully earned by Lessor. Lessee agrees that the security deposit will not bear interest and that the Lessor may apply it to any amount due under this Lease, in which event Lessee will restore the security deposit to its original amount promptly.

**14. Termination:** Upon completion of the Schedule of Rental Payments or earlier termination, Lessee agrees to pay Lessor a termination fee of \$85.00.

**15. Consent to Colorado law, Jurisdiction, and Venue:** This Lease shall be deemed fully executed and performed in the State of Colorado and shall be governed and construed in accordance with the laws thereof, and LESSEE HEREBY IRREVOCABLY SUBMITS GENERALLY AND UNCONDITIONALLY TO THE EXCLUSIVE JURISDICTION OF THE DISTRICT COURT FOR THE COUNTY OF LARIMER, COLORADO. In the event Lessor, Lessee, or any Guarantor brings any judicial proceedings in relation to any matter arising under this Lease, the parties further agree that such matters shall be adjudged or determined by the District Court for the County of Larimer, Colorado. LESSOR, LESSEE AND ANY GUARANTOR HEREBY WAIVE, INsofar AS PERMITTED BY LAW, TRIAL BY JURY.

**16. Return of Equipment:** On termination or expiration of this Lease, or upon Lessee's default, Lessee shall, at its own cost and expense, return the Equipment to Lessor at an address specified by Lessor in the same condition as originally received by Lessee, reasonable wear and tear excepted. The Lessee shall, in addition to all other payments due Lessor, pay any amount necessary to provide for replacement, whether repaired or replaced by Lessor or not, for all damaged, broken, or missing parts of the Equipment or the operating and instruction manuals for the equipment.

**17. Amounts Due:** In the event this Lease is construed to involve a loan of money and any amounts due herein are deemed to constitute interest, then without waiving any claim or defense to the contrary, no such amount shall exceed the maximum lawful interest rate for the State of Colorado or the state where venue is located. In the event Lessor ever collects or applies as interest any such amounts in excess of the maximum lawful rate for the state of venue, such amounts shall be deemed a prepayment of principal and if such principal is paid in full then any excess payments by Lessee shall immediately be refunded to Lessee.

**18. Credit Information:** Lessee hereby authorizes Lessor, or its assigns, to access business and consumer credit bureau reports as Lessor deems necessary and to report to any credit bureau of Lessor's choice any delinquency of payments due hereunder.

**19. Miscellaneous:** Captions are intended for convenience or reference only and shall not alter the text. This Lease contains the entire agreement between the parties and with the exception of the agreements contained in paragraph 10, may not be altered, amended, or terminated except in writing by an executive officer of Lessor. This Lease shall be enforceable only when signed by an executive officer of Lessor. All covenants of Lessee hereunder shall survive expiration or other termination of this Lease until Lessee has fully performed all of its obligations hereunder, including any obligation to indemnify Lessor or pay any tax or remove any lien. This document has been prepared by Lessor as a convenience to the parties and shall not be construed against Lessor for that reason. Lessor is not a merchant with respect to the Equipment. Lessee agrees to sign such additional documents and perform such additional acts as Lessor may request to protect Lessor's interest under this Lease. Any notice to Lessee may be sent to the address shown at the top of this Lease, unless Lessee shall otherwise notify Lessor in writing. Any notice to Lessee may be sent by regular mail, courier service, facsimile transmission, electronic mail, or any other means generally used in business transactions. Any notice to Lessor must be in writing and must be delivered to Lessor by U.S. Mail, Return Receipt Requested or another means generating a written receipt and must be delivered Attn: President.
