Re: objection to administrative Citation #48530-20797

To whom it may concern:

The purpose of this letter is to object to the fines assessed to me on Citation #48530-20797. I have made repeated attempts to contact the proper individuals in the citations department to discuss the matter, but have not received a proper response. I have documentation showing that the vehicle in question had proper registration on the date the fine was imposed.

Furthermore, I would like to be heard on this matter by the Board of Adjustment and Appeals as well as the City Council on August 2nd 2012 to plead my case to have the fine dismissed, or appeal the case to District Court.

Yours sincerely
