The Anoka County Statewide Health Improvement Program (SHIP) is a part of Minnesota's SHIP, an integral part of Minnesota's nation-leading 2008 health reform law, which strives to help Anoka County residents lead longer, healthier lives by preventing the chronic disease risk factors of tobacco use and exposure, poor nutrition and physical inactivity. This publication was made possible through SHIP funding from the Minnesota Department of Health.

Improve pedestrian crossing

Address safety issues within existing trail system:

- tight curves
- poor sight lines
- expand width

Work collaboratively with Anoka Co. & State to develop and improve regional trails:

- Potential Legacy Funding opportunities

Fill in critical connections to Cornerstone Parks within sectors:

- provide community with basic connections
- trails or sidewalks that also connect to school sites may provide alternate funding source through 'Safe Connections to Schools' program

Potential for sidewalks in this area to be funded through 'safe connections to school' program
