**Note:** Base survey information was generated by combining more recent survey of practice range and clubhouse area with older topographic mapping for the entire golf course. Contractor should verify elevations in the field.

**Note:** Installation of erosion control measures by City staff. City staff shall remove upon completion of project. **CONTRACTOR** must repair damage to erosion control measures immediately and maintain through the end of the project.

February 28, 2013

Revisions:  
 03-04-13: Building elevation, practice green size, practice bunker stripes, alternatives & labels.  
 03-07-13: Revise 1 West tee, cart path & Golftec bldg. locations, construction limits, silt fence & update notes.  
 03-11-13: Staging area & access point.  
 04-01-13: Grading & cart paths.
