To whom it may concern,

I Nera M. lived at this address since 2012. Never rented or or left for longer than 28 days. As a new- owner I didnt applied for homstead and this is my only home. I will apply for that today and thank you for that sugestion.

I never received any notices about citation or anything from City of Coon Rapids, I am going to look into that too. If I did I would for sure send photo that I live here. If it wasn't yesterdays visit I would never know about all this. Thank you again for that.

About citation off Pavement I belive 3 cares were in question. Have been here for 4 years and it was never an issue. They were parked on the rock gravel. Now if I dont see the same few houses down, street next to us or whole Foley block I would think that Im doing something wrong. Now when we just moved in the house, it was in bad shape, there was no grass and as we focused on me inside we got notice for weeds from the city and at that time cars were parked too and that was few years back.

Yes I know I cannot respond to the letters as I cannot see any, but I believe there is warning that applies in this case, again cause I cannot get it I could not do anything about that, I would for sure.

Just last month we extended our driveway and rocks had some weeds, so maybe it looked like grass or not maintained but with the other expenses that is something we will work on in the fall.

From all this I learned that parking on rock gravel is not allowed but I see it every day all the time. I did know that city rep. drives around and will issue warning if cars are parked. Now from this morning driving down my street there is more than four parked not rocks but green grass. I have pictures. I'm not trying to get anyone in trouble but its the fact, and that is why I cannot think Im doing anything wrong with parking. Thank you for your time, When this meeting takes place we will be out of State but I will STILL be available over the phone if there is any questions or email is great too.

Phone # while gone from 9/24 – 10/19

Thank you
