Adjourn

City Council Work Session **1.**

Meeting Date: 07/14/2015

Subject: Foley Boulevard Reconstruction Discussion; Egret Blvd to Northdale Blvd

From: Tim Himmer, Public Works Director

INTRODUCTION

City staff and representatives from Anoka County will be in attendance to provide an update on the 2016 Foley Boulevard reconstruction project.

DISCUSSION

The next phase of Foley Blvd reconstruction, from Egret Blvd to Northdale Blvd, is currently in the acquisition and final design stages. It is anticipated that the project will be bid this fall and construction will primarily occur through the 2016 construction season, with removals and utility relocates to occur late in 2015. Attached to this memo is a concept drawing of the project, which is the basis for the final design.

The Joint Powers Agreement (JPA) for the project will be coming forward for Council review on an agenda in the near future, and staff wanted to give the City Council an opportunity to discuss the project one final time before they consider the JPA and municipal consent.
